## 4-H Is For YOUth!

4-H in New Mexico had its roots in youth clubs which were started in the schools in 1911. These were called "Corn Clubs." Before long the projects offered were expanded and leadership was given through the New Mexico A&M College.

In 1914 the U.S. Congress officially established the Extension Service, and in 1917 "4-H" became the official name of youth groups sponsored by the Extension Service.

Today's program is for youth, ages 9-19, both rural and urban, and has expanded to 82 countries and 5 million members. The range of projects is enormous, from rocketry to entomology, and of course including all the traditional programs relating to farm animals and home economics.

4-H is a unique partnership involving youth leaders, state land-grant universities, federal-state-local governments and the private sector. The overall mission of the Cooperative Extension Service in conducting 4-H programs is to assist youth in acquiring knowledge, developing life skills and forming attitudes that will enable them to become self-directing, productive and contributing members of society.

Adult volunteers are essential to the successful delivery of 4-H programs to youth. Last year more than 600,000 volunteer leaders each donated 220 hours, drove 300-400 miles, and spent \$50-\$60 to prepare for and teach youth.

The estimated value of the total time devoted to 4-H and out-of-pocket expenses is about \$1 billion annually.

Bosque Farms hosts two 4-H Clubs, each with approximately 75 members and 16 leaders. The clubs reorganize each October and November, and if you have a skill to share or a child anxious for a worthwhile activity that's also fun, contact either Toma Shaver at 869-2297, the Drifters 4-H Club, or Steve Harrington, 869-9764 of the Bosque Farms 4-H Club.

## 4-H RULES & REGULATIONS

1. Entries in Department 4-H are limited to Bosque Farms 4-H Club members.

2. Members must be enrolled in the projects in which they exhibit. Exception: each lot will have an "open" category for exhibits by 4-H members who are not enrolled in that particular project. "Open" categories will be judged separately and will not be eligible for Best of Show awards.

3. Each exhibitor is limited to one entry per category, and no more than three entries per lot.

4. Exhibits must have been made by the exhibitor within the past year.

5. General rules for inside exhibits apply, but special rules of each lot or division take precedence over all other rules.

6. Categories are patterned after Valencia County Fair categories and correspond in most cases to State Fair categories. New categories will only be made by a superintendent if one

has inadvertently been left out. (That is, if the category calls for nutbread, and you bring banana-nut bread, we will not make a new category for it.)

7. The lots and categories listed are those offered by the 4-H Clubs for the 1984 project year. These may vary from year to year.

8. Each lot will be divided into Junior (9-13) and Senior (14-19) divisions, which will be judged separately. Note "Jr." and "Sr." on ticket.

9. Best of Show awards will be given in the following categories:

ARTS: Floral design, cake decorating, needlepoint, photography.

CRAFTS: Wood, leather, welding, educational exhibit.

FUN WITH 4-H: Juniors only.

CLOTHING: Mix 'n' match, teen wardrobe.

FOODS: Baking, canning.

### LOT 4-H-1

#### EDUCATIONAL EXHIBITS

Emphasis must be educational. A poster or display must be exhibited. The exhibit should show something or should raise a question related to the 4-H project and subject matter. Size is restricted to 16" x 20" x 12" deep.

There is no "Open" category. Exhibitor must be enrolled in project.

Buck Out: \$2.00 entry (no payback). Cattle provided by DeSmet; three age groups.

## Booths

Many local organizations will be sponsoring booths with a variety of games and activities. This enables organizations to earn funds for their projects and activities, while at the same time adding to everyone's enjoyment of the fair. Following is a list of rules in effect for this year's fair:

1. Fund raising activities are restricted to non-profit organizations and charities located within the boundaries of the Bosque Farms Fair, OR.

2. People who sell home crafted items and are from the Bosque Farms Fair area.

3. Fund raising activities may be in the form of games with prizes and sales of articles. Food may be sold, but must not be items that are offered by the Fair Board Concession stand. Food that is to be sold must also meet with the standards of the Environmental Improvement Division.

4. Prizes for games may not be in the form of cash pay backs.

5. Booths should be limited in size to 300 square feet.

6. Commercial organizations may have booths for the purpose of advertisement and demonstration. They may not sell their product. Commercial organizations need not be within the boundaries of the Bosque Farms Fair.

7. All booth areas should be left in a clean condition.

The charge for a booth is \$10.00 for a charity or non-profit organization. Booths which will sell home crafted items will be \$20.00 and commercial booths are \$20.00. More than one activity may be conducted from a single booth. However, if two booths are used, there will be an additional charge for another booth. If you would like to sponsor a booth, contact Jim Vaughan at 869-3190.

# Past, Present & Future

By Ken Rogers

Bosque Farms, New Mexico, a thriving community of almost 4,000 souls in 1984, had its beginning as a Works Project Administration (WPA) experiment in the midst of the Great Depression. In 1934, the U.S. Government bought 2,800 acres of swamp land, called the Bosque, just 18 miles South of Albuquerque. The following year, the experiment began. The swamp was drained, and a total of 72 New Mexico families were moved to the Bosque from Taos and Harding Counties. By the end of the first year, the number of settler families had dwindled to 42. Those remaining were provided Government-built homes on plots of land that averaged 50 acres. They did not own the property, but rented it with an option to buy at a later date. In addition to the homes, the government built a school for first through eighth grade students.

The school served many purposes in the early days of Bosque Farms. Its auditorium was used for nondenominational church meetings, community council meetings, and in 1939 was the site of the first annual Bosque Farms Fair.

That first fair was considered a huge success. Contributions to finance the community get together and picnic totaled a whopping \$14.11. In an effort to help pay the bills, a refreshment stand was employed. Profits from that endeavor were to go toward the payment of cash prizes for Fair exhibits and race events which included--among others--a Fat Ladies'

Please turn to next page

## DECORATED BICYCLE CONTEST

The bicycle contest will be held at 4:30 p.m. on Friday, August 10, behind the Bosque Chevron.

Judging will be according to the following:

Age 6-11, first, second and third.

Age 7-10, First, second and third.

Age 11-14, First, second and third.

All children participating in the Decorated Bicycle Contest will be welcome to ride in the Parade, which will follow the contest.

Prizes awarded immediately after the judging.

For more information contact Steve Harrington at 865-9764.

Race and a Skinny Ladies' Race.

As the successful entrants of the events collected their winnings, the prize funds evaporated. The resourceful Fair organizers would then call a halt to the activities for 10 minutes, allowing the winners to spend their prize money at the refreshment stand. With the coffers replenished, the games were on again. That procedure was enacted several times during the day, and after the last race was won and the last exhibit prize awarded, the First Bosque Farms Fair had netted a total profit of \$7.50 . . . a good start for financing the 1940 Fair.

During the ensuing 45 years, both the Bosque Farms community and the annual Fair grew and became proportionally better with each year. New events and exhibits were added annually.

For example, the 1983 Fair program began on August 11 with the briefing of superintendents and lasted through the morning of August 14 and the Fiddler's Contest. Prizes grew from the 5' to 50' variety in 1939 to the \$5-to-\$75 range in 1983. Each succeeding year was bigger and better because of the planning innovations, the participation of the Village residents as well as many community organizations such as the Rodeo Association, the Bosque Farms 4-H Club, and the Village Library Fund. Nevertheless, many of the original attractions such as foot races, toad races, and the rolling pin throw have persisted since the beginning.

Who knows, by 1985 even the Fat Ladies' Race may be revived.

## Duck Race

Four divisions as follows: 0-9 years age group, 10-16 age group, 17 and up age group, Merchants.

Entry fee is \$2 per duck. No limit on the number of ducks which can be entered. [All proceeds go to the Bosque Farms Library.]

Pre-registration or at post time.

\$200 in prize money to be given out.

**WINNER'S RACE**

**FOR BEST OF SHOW**

*Congratulations Bosque Farms  
On Your 10th Anniversary!*

I am a candidate for the Los Lunas School Board. There are three important characteristics which make me very qualified to hold this position.

**LEADERSHIP:** I have served on three boards of directors, and I am currently the president of the Bosque Farms Library and a member of the Faculty Committee at the UNM-Valencia Branch. **LAUREL CORDOVA EDENBURN**

**INVOLVEMENT:** I am active in community and school affairs. I have attended school board meetings for over three years, and I publish a school newsletter.

**EXPERIENCE:** I have been a public school teacher, and I am now a mathematics instructor at the UNM-Valencia Branch in Belen.

**MAKE ME YOUR REPRESENTATIVE TO THE LOS LUNAS SCHOOL BOARD, &  
HELP ME TO HELP OUR SCHOOLS! VOTE FOR LAUREL CORDOVA EDENBURN  
NEXT FEBRUARY FIFTH!**

PAID FOR BY LAUREL EDENBURN CAMPAIGN FUND. ROSE ANN SMART 1995
