Grand Marshall

Gloria Stanley

We are honoring Gloria Stanley as our Grand Marshall for all the years of service as Director of the Community Center of Bosque Farms.

Gloria is a native of New Mexico, born and raised in Belen. She met Lee Stanley in Denver where he was stationed and they were married in June 1962. The Stanley's moved to Bosque Farms in July 1971 at a time when there were mostly alfalfa fields, long distance phone service and soon after, the Citizen's Patrol.

Gloria was a swim instructor at Chamberlain's Pool in Bosque Farms. Later she taught swim lessons at the Los Lunas High School pool during the summers and also taught swimming for the 9th grade program at the high school for many years. She also coached the Los Lunas Stingray Swim Team for many years. After leaving the swimming pool, she was hired as the Director of the Bosque Farms Community Center in 1991. She retired from there in 2009. She enjoyed working with the senior citizens, providing activities for them. She keeps busy walking, reading, quilting, traveling and working with arts and crafts. She also continues to enjoy the company of the senior citizens.

Lee and Gloria have three daughters, Sharon, Pam and Michelle. They have seven grandchildren, Jerrek, Jonathan, Ashlee, Seth, Clay, Tylvonne and Taylor. They are looking forward to the birth of their first great-grandchild in November 2009.

WELCOME

The Bosque Farms Fair Association welcomes you to the annual Bosque Farms Community Fair. We believe that you will find this year's fair in keeping with the community spirit of the very first fair in the summer of 1939. For years the people of Bosque Farms and the surrounding areas have kept alive the traditions of neighborliness and friendship that were the inspiration for that fair.

Although the community has undergone dramatic changes over the years we'd like to think that those who attended that first fair would still feel right at home. We hope that they'd approve of the changes that have been made and we feel sure they'd be glad to see that some of the things they started are still continued today. Most of all we hope they'd find plenty of friendly faces in the crowd. No matter how large the community might grow, we hope it never outgrows the simple joys of community togetherness that the fair strives to preserve.

We wish to thank those loyal supporters both old and new who continue to support the fair year after year through donations of time and money. Thanks to all those wonderful people we still have our community fair and with their support will continue to do so for many more years.

We urge you to patronize the many businesses that support the fair. Let them know that you appreciate their support as much as we do.

We invite you all to join us for this year's fair. Meet old friends and make new ones. Check out the exhibits, enjoy the events and join in the fun. We hope you'll be glad you came.

WHAT IS THE BOSQUE FARMS FAIR ASSOCIATION?

The Bosque Farms Fair Association is a non-profit organization of volunteers who do the behind-the-scenes work of planning and presenting the annual Bosque Farms Fair. Anyone from the community is welcome. If you are looking for a way to become more involved in creating a better community and a better fair, we are looking for YOU!

COME JOIN US! We also need volunteers to help each year with one or more projects before or during the fair. If you don't have much time, but would like to help out a little, just give us a call. We need all the help we can get!! **For more information call:** Any member listed on the information page.

THE HISTORY OF BOSQUE FARMS

Our history begins in 1500 when the Tewa Indians lived in our valley. Then the early Spanish settlers arrived. The Spanish colonists claimed the new world for Spain, and were granted land.

Don Solomon Luna had large land holdings in this area. When he died, his son, Don Eduardo Otero, used 28,000 acres for grazing cattle and farming.

In 1934, this land was used by the U.S. Government for rehabilitation of farm families from the Great Dust Bowl of Northern New Mexico, Texas and Oklahoma. The 28,000 acres were divided into 43 tracts, 40 to 80 acres per tract. On May 2, 1935, a public drawing was held, and the tracts were sold to those lucky enough to have their names drawn. The land sold for \$140 per acre, and the new residents had 40 years to pay for it. The new settlement became known as Bosque Farms. The Works Progress Administration (WPA) cleared the land and built homes for the new settlers. Many Spanish style homes are still in use today. In 1939, WPA built the original Bosque Farms School, which is still in use. At that time, it taught students grade 1-8. Bosque Farms was the first school in the state to serve hot lunches to their students. Recreation was community created. Dances, softball games and community dinners were popular. The residents voted to incorporate in 1974.

THE BOSQUE FARMS COMMUNITY FAIR

****By Mrs. Chester Carpenter****

The Bosque Farms fair was organized in the Summer of 1939 and was sponsored by the Extension Club of Bosque Farms for several years. For the first few years the fair was held on Labor Day.

The first Fair opened bright and early with the vast sum of \$14.11 cash. After much planning it was decided the Extension Club would sponsor the refreshment stand. Mr. and Mrs. Sig McKinzie consented to be in charge of arrangements for the stand. Even though they were very busy all day, they entered several things in the Fair, winning several Blue and Red ribbons along with a Champion flower arrangement.

The races for the children created a lot of enthusiasm because of the cash prizes for the winners. First place was fifty cents, second place was twenty-five cents, and third place was ten cents. The money for the prizes was the profit made from the Extension Club Booth. The first race of the day was a tiny tot race and each person who entered received five cents even though some did not leave the starting line. The second race was a "hot race" for everyone had to have a toad to enter. (Toads were scarce for weeks after the Fair.) Each toad was marked on his back with a number and the child who entered it received a like number. A circle of about 10 feet across was marked off and at the starting whistle the toads were all dumped out of a bucket in the center of the ring. There was a lot of calling and excitement, for the first toad to hop out of the circle won a dollar for his owner. There were various races held throughout the day. Even the women threw the rolling pin and drove nails. There were foot races for the fat women as well as skinny ones. When the money ran out, we would call a rest for ten minutes so that people could go to the refreshment stand to spend their winnings on pop, etc. In this way there was money again with which to run more races. After the prizes were paid on the Fair exhibits and expenses for the "stand" were settled, we had \$7.50 for a start on the next Fair. As the years went on we had a "Beauty Contest" with Ann Noble being the First Beauty Queen. In 1942, a pre-school "Better Baby" show was held with almost every child in this age group being entered. Robert Morrison was the first contest winner. Our motto in 1939 was "Bigger and Better." We have enjoyed 25 years of "Basket Dinners" and renewing old friendships.

The first Fair was originated by Mrs. Crystal Carpenter. It grew larger and more popular each year. Our Fair is the only community fair still celebrated in New Mexico. It reflects the pride our residents still have in the community.

Adrianna Crossley is the 2008-2009 Bosque Farms Rodeo Fair Queen. She is a recent graduate from Los Lunas High School and will be attending the University of New Mexico to major in pre-law.

I have enjoyed representing Bosque Farms throughout my reign. Savannah Finley The Bosque Farms Fair Princess 2008-2009

Savannah Finley is an eleven year old sixth grader at Rio Grande Elementary. She is the daughter of Antonette and Guy Alguire and Norman and Natalie Finley. She enjoys horseback riding and competing in local barrel races on her horse Spike, who she has trained herself to compete in these events. She hopes to one day compete in the NFR and also sing the National Anthem in front of the World's Largest Rodeo Competition in Las Vegas, Nevada.

Her hero is her Grandpa Bill because he has taught her everything that she knows about horses and has the patience to teach her everything that she needs to know about being a good horseman. This year she would like to dedicate her success to Bill Duree because without a grandfather like him, she would not have gotten this far. She hopes that every little girl is as lucky as she is to have a man like that in her life.

She would also like to thank all the Royalty sponsors because without them, they would not have the opportunity to have this competition and build the character that everyone needs to succeed in life. She would also like to thank Janice and James Dowly for teaching her everything that she needed to know about being in a royalty competition and a horse show. And last but not least thank you family and friends for all your support.

WHAT IS 4-H?

4-H is the youth education program of the Cooperative Extension Service, established in 1914, and conducted jointly by the U.S. Department of Agriculture, the state land-grant universities and county governments.

Today's 4-H program is for all youth, rural and urban, from all racial, cultural, economic and social backgrounds. It reaches girls and boys in a variety of ways: as members of organized 4-H clubs, as participants in special interest groups, as enrollees in short-term projects, through camping, and in programs planned to meet specific needs of youth and the communities where they live. Girls and boys "learn by doing" in 4-H.

4-H gives young people an opportunity to take an active part in learning about and solving problems that face them and their communities. Members participate in projects that give them knowledge of science, agriculture, home economics, personal development, community service, leadership and citizenship. Often this knowledge helps open the door to a future career. *THE MAIN PURPOSE OF 4-H IS TO HELP YOUTH BECOME EFFECTIVE CITIZENS.*

Some of the 4-H projects most popular with youth are: food-nutrition, clothing, home beautification, health, safety and leadership. In rural areas, many 4-H members work with livestock, crops, forestry and machinery. Also popular everywhere are projects in electricity, conservation, home gardening, photography, public speaking, woodworking, entomology and personal grooming. Older boys and girls find satisfaction and challenge in projects such as automotive care, career studies, money management, consumer education and leadership. In Valencia County, some of the largest projects are rodeo, horsemanship, livestock judging leathercraft and dog obedience.

4-H clubs reorganize each Oct. and Nov. If you have a skill to share or a child interested in a worthwhile activity that is also fun, contact the County Extension Service at 865-9561 to find out what clubs are available in your area.

VOLUNTEER LEADERS ARE ALWAYS NEEDED.

Fred Hansen

The Bosque Farms Fair this year will be missing one of its past supporters. Fred Hansen was always there to assist with whatever needed to be done to make this event meaningful to families and the community. He passed away earlier this year at age 86.

Fred, his wife Lee, and their three children, Leslie, Brian, and Aaron moved to Bosque Farms in 1963. Fred worked at Sandia Labs as a mechanical engineer for 37 years. He also grew alfalfa which helped feed a few animals on his small farm.

Fred helped build the first Little League Field in this rural community. 4-H members appreciated his assistance with woodworking, creating floats, sponsoring dances, and even organizing hayrides. He was always willing to volunteer his time and expertise for Multiple Sclerosis, Dr. Coffee's Medical Aids Research, Senior Olympics, Friends of the Library, Channel 5 (KNME), and for BCMC Mental Health Department. He was a Navy Veteran in World War II serving our country in the South Pacific.

He will always be remembered for finding the best in people and for his generosity and kindness towards all. People around Bosque Farms would always see Fred riding his bike, working out at the gym, participating in a swim meet, feeding his cranes, or increasing his energy by eating at Benny's. He will definitely be missed by the people in Bosque Farms and by many other friends too!
